

REMARKS

In order to facilitate the acceptance of the application, all the claims have been amended so as to conform as to what the Examiner indicated would be allowable in the Office Action of August 25, 2005.

It is believed that this application therefore is now in condition for allowance, and an early Notice of Allowance is respectfully requested.

Since the application is under Final, an early action is particularly solicited.

Respectfully submitted,

A handwritten signature in cursive script, appearing to read "Martin D. Moynihan".
